

In a GLOBAL ECONOMY, in ENGLISH, in TRIESTE

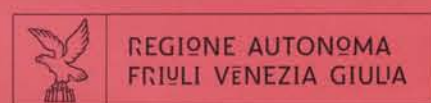

ECONOMICS AND MANAGEMENT OF INNOVATION & ECONOMICS OF FINANCIAL AND INSURANCE MARKETS

In Trieste, one of the most future-oriented, multicultural and beautiful cities in Italy, the University is offering two new three-year degree programs in Economics, entirely taught in English.

These programs, international in aim and scope, will provide solid training in Economics, Management, Applied Mathematics, Statistics, and Law, in line with the tradition of the Faculty of Economics of the University of Trieste. In addition, they will offer **an innovative teaching approach characterized by courses and seminars held by international visiting professors and high-level experts.**

Two new programs, sponsored and endorsed by Regione Friuli Venezia Giulia, Assicurazioni Generali, Allianz-Lloyd Adriatico and Unicredit Group, which definitely represent a great opportunity for You.
